curved shower rod

Increase the space in your bathroom shower without doing any remodeling. motiv's new curved shower rod allows more freedom of movement and the added luxury of an enlarged shower experience.

The motiv Difference:

- Unique, stylish, and smart design - no visible mounting hardware.
- Easy glide, one piece shower rod.
- Expanded shower space - 6.25" of additional elbow room.
- Durable rod will not droop over time - holds up to 120 lbs.
- Water seal rod design; curtain stays in place, for water free floors and bathroom safety.
- Available in 5' and 6' lengths; can be trimmed up to 2" at each end.
- Available in polished chrome, satin nickel and oil rubbed bronze
- Stylish shower rod brackets create contemporary, traditional or transitional look.
- Shower rings available in all matching finishes.
