

Wall-Mount Gooseneck EcoPower® Faucet

We are pleased to announce the new Wall-Mount Gooseneck spout options to our popular EcoPower Faucet Series. With a 6" spout reach and 7 -1/2" spout height, this stylish Wall-Mount Gooseneck is perfect for hospitals and service sinks.

Available with 0.5 gpm and 1.0 gpm aerator, and when used with 10 seconds of maximum continuous flow time option, it exceeds the most stringent water conservation standards: California Green Building Standards Code (CALGreen) which mandates a maximum discharge of 0.20 gallon per cycle for all public faucets.

- **Hydropower self-generating system**
- **Sensor faucet with aerated flow**
- **Self-adjusting faucet with control box and mounting hardware, less supply lines**
- **1/2" Water supply male threaded**
